

**DIRECTORS:** Read and copy this form. Provide to each auditioning student to sign and return to you. *Submit all signed forms at the audition check-in.*

**STUDENTS:** Completing this form is required to audition. Carefully read, sign, and get your parent/guardian signature. Return the signed form to your director immediately.

### **AGREEMENT TO FOLLOW AUDITION COVID PROTOCOLS**

I agree to comply with the following COVID protocols to participate in a TMEA-sponsored audition.

I understand that if I do not comply with the following while at the audition site, I could be disqualified from the audition.

- Do not enter the audition site building(s) if you have COVID-19 or if in the last 48 hours you have had any of the following symptoms unrelated to some other condition in the last 48 hours: fever (100.4° F or higher) or chills; cough; shortness of breath or difficulty breathing; fatigue; muscle or body aches; headache; new loss of taste or smell; sore throat; congestion or runny nose; nausea or vomiting; diarrhea.
- Do not enter the audition site building(s) if you been in prolonged close physical contact with anyone with COVID-19 in the past 10 days, unless you are fully vaccinated, have since tested negative for COVID, or had COVID in the last 3 months.
- Limit your time in the building to that which is required for your audition or volunteer role.
- If required by the audition host site or by your own district for off-campus/extracurricular events, wear a mask that covers your nose and mouth while inside the audition site building(s). You may remove your mask to play a wind instrument or sing in warmup or audition or, briefly, to eat or drink. *Where not required, TMEA still strongly recommends everyone wear a mask.*
- Maintain distance whenever possible.
- Follow all host site requirements and your school district's requirements for off-campus/extracurricular events. If any requirement is in conflict, follow the more stringent requirement. (Directors have access to the host site requirements in the audition entry system.)
